

REFERENCE

Mr Hemanth Kumar Galam, born on August 10, 1999, worked at our company's department 3TTD R&D System Software as an intern from April 3, 2023 to September 30, 2023

The Rohde & Schwarz technology group is among the trailblazers when it comes to paving the way for a safer and connected world with its leading solutions in test & measurement, technology systems, and networks & cybersecurity. Founded more than 85 years ago, the group is a reliable partner for industry and government customers around the globe.

The task of the Rohde & Schwarz plant in Northern Bavaria is to manufacture mechanical and electrical parts for equipment production on our Memmingen and Vimperk plants. The plant's resources are also available to external customers for production jobs.

Mr Galam carried out the following main duty:

- Development of ui features for displaying geospatial data in a map application

Moreover, Mr Galam was entrusted with the following additional duty:

- Evaluate Auto Encoder to compress buildings and line layers using TensorFlow and Keras

For the purpose of carrying out his work, Mr Galam used the following system environment:

- IDE JetBrains Webstorm
- Sourcecode management with Git

During the period in which Mr Galam worked for our company, he demonstrated an exceptionally high level of commitment and a high degree of self-reliance at all times.

Moreover, he carried out all of his duties with a high degree of dedication and circumspection, applying his comprehensive knowledge.

Mr Galam demonstrated competence in his area of work and expanded his knowledge by undertaking personal studies on his own initiative.

In addition, he worked in a well-planned, systematic and careful manner. Mr Galam also mastered a heavy workload within a short period of time.

Due to his helpfulness and balanced personality, Mr Galam enjoyed a good relationship with managers and colleagues alike at all times.

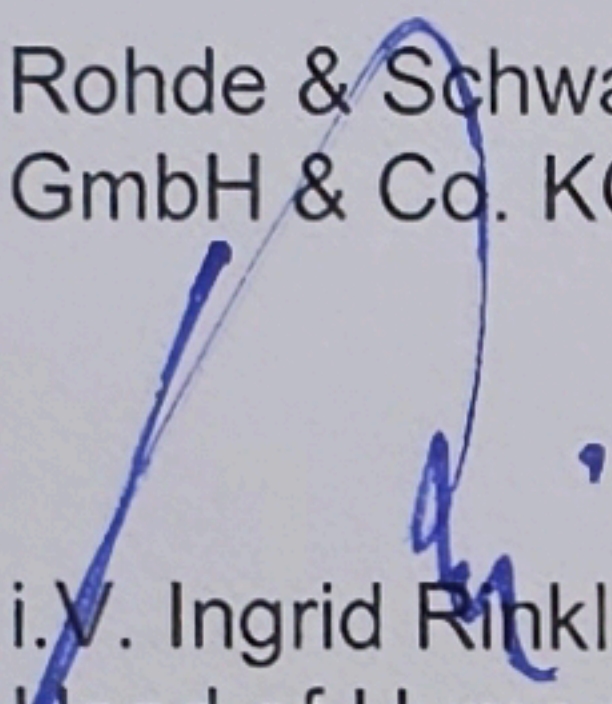

Mr Galam commendably met our expectations at all times. We were always fully pleased with his outstanding performance.

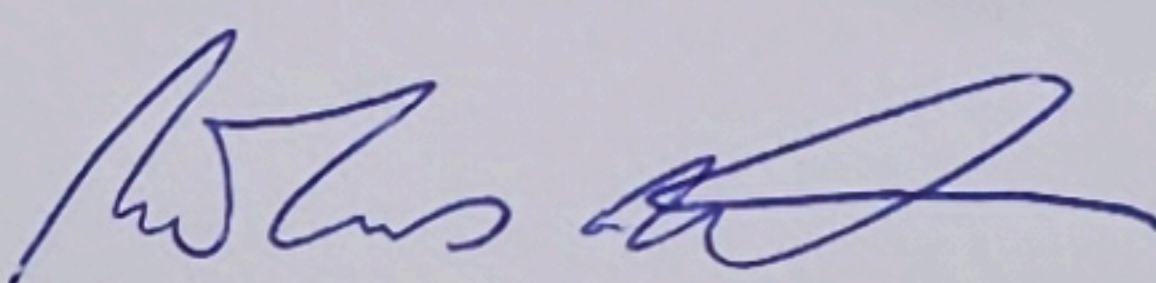

Mr. Galam was absent for 2 days during the internship due to illness.

We thank Mr Galam for his excellent contributions and wish him every success in the continuation of his studies.

Rohde & Schwarz
GmbH & Co. KG
